

KIKAIDER

3

Shotaro Ishinomori

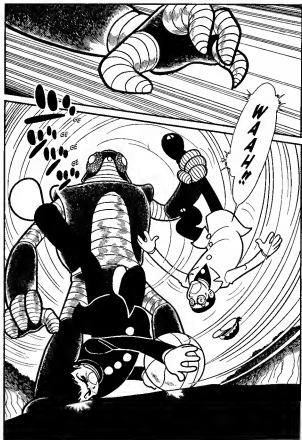

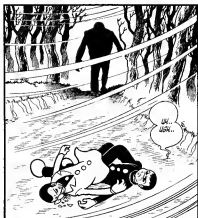

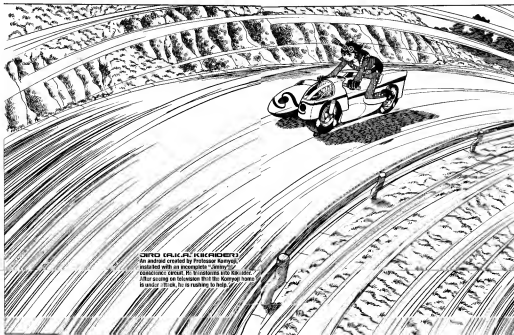

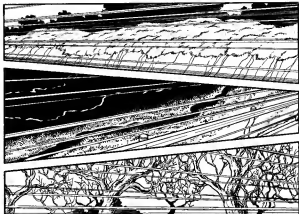

DINO (ALIA KAKIDEN)

An android created by Professor Kameya, installed with an incomplete "Jenny" compatible circuit. He transforms into Kakiden. After seeing on television that the Kameya home is under attack, he is rushing to help.

**KAMIOKA
SHOICHI**

A basketball fanatic.
He is suspected of
viciously assaulting the
captain of the kendo
team and is fleeing police
pursuit. He is trying to
capture the robot that is
actually responsible.

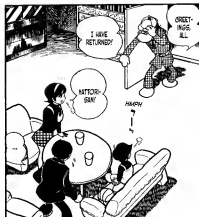

MITSUKO AND MASARU

Professor Komyoji's children. Mitsuko and her young brother Masaru are trying to track down Jiro to repair his conscience circuit. If they can't repair it, their father has ordered them to destroy Jiro.

HATTORI HANPEI

A rather dimwitted private investigator hired by Mitsuko to find Jiro.

ALL I
WANTED
WAS TO PLAY
BASKETBALL!

EVER SINCE
I STARTED
JUNIOR
HIGH...

AFTER ALL, YOU DID
BEAT UP THE CAPTAINS
OF ALL THE SPORTS
TEAMS, DIDN'T YOU?

YOU CAN'T REALLY
BLAME THEM FOR
SUSPECTING YOU.
THIS IS YOUR
OWN FAULT!

...MY
FAMILY WAS
TOO POOR!

JUST...
BECAUSE

...AND THE OTHER
SENIORS...THEY
REJECTED ME!

I...I WENT OUT
FOR THE TEAM
ON DAY ONE!

BUT... THAT
AZAMA...

I HATED
EM...ALL
OF EM!

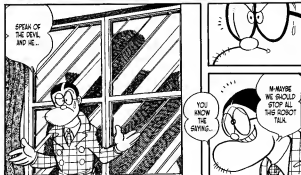

AND I
KICKED
THEIR
BUTTS!

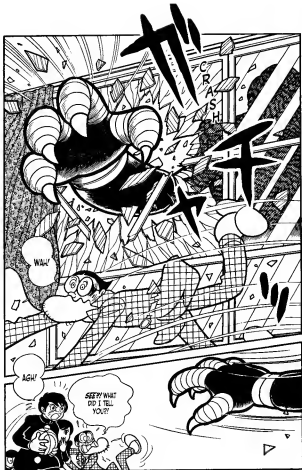

...REALLY?

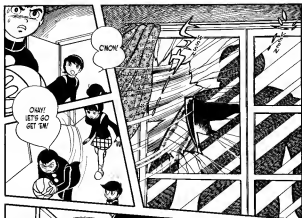

THAT...
THAT'S
WHY...

OH...

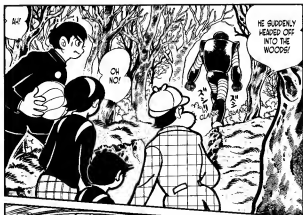

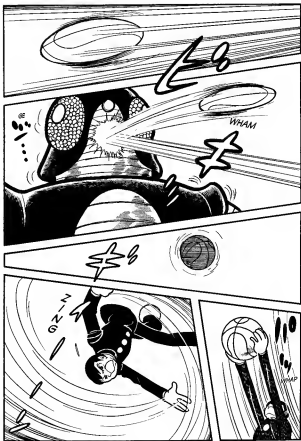

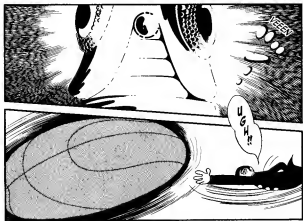

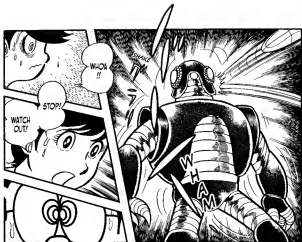

PROFESSOR KOMYOJI
 Japan's most renowned robot scientist.
 Employed by Professor Gill to build robots.
 Realizing he'd been deceived, and unwilling
 to permit evil, he installed a conscience
 circuit in the robots. He was attacked by
 Gill before he could complete the circuit.
 Current whereabouts unknown.

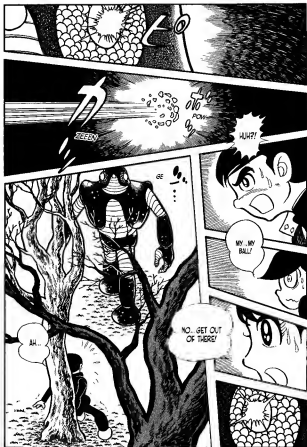

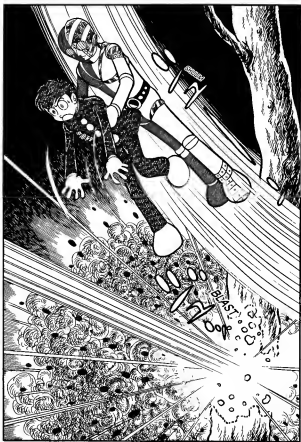

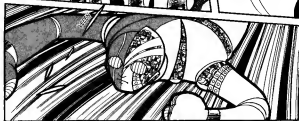

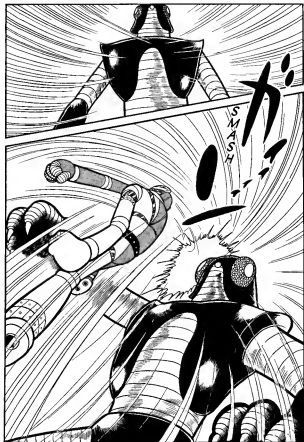

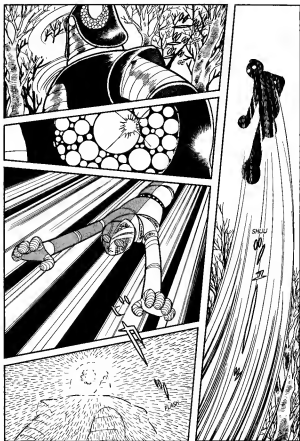

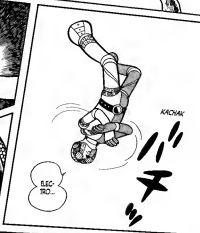

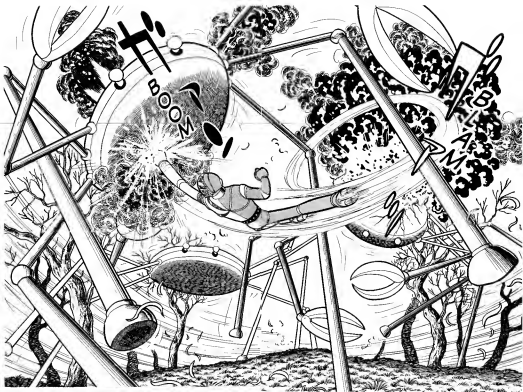

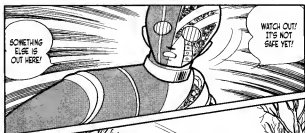

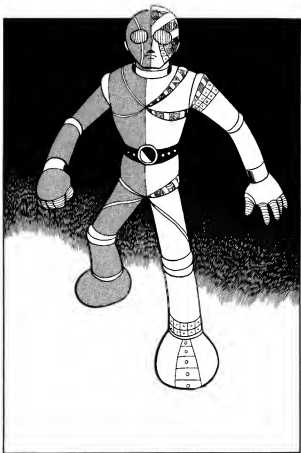

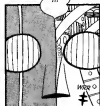

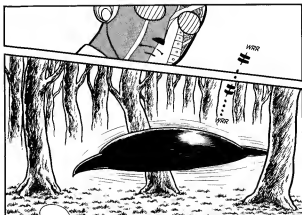

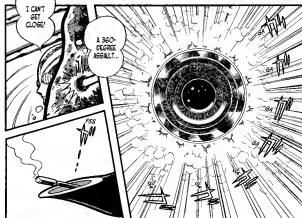

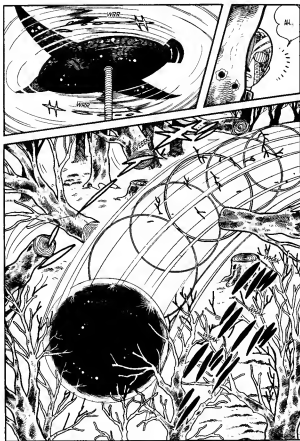

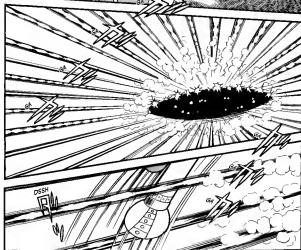

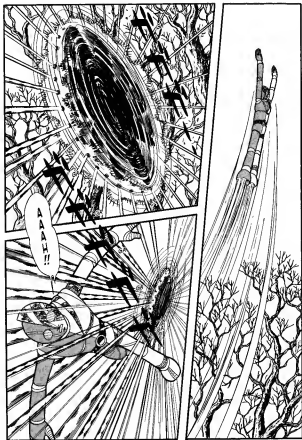

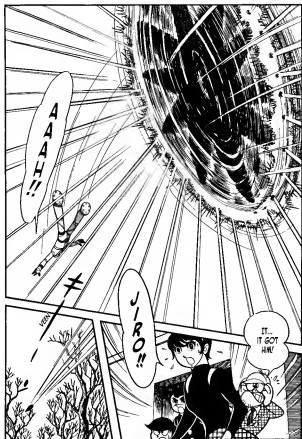

WHHEW

Oh
Oh

THAT CLAW...
IT'S THE SAME AS ON
THE ROBOT THAT
ATTACHED US

YEAH I'M
SURE

KAMIKAWA... WAS
TRYING TO
SAVE ME!

I WID
YOU ALL
WRONG!

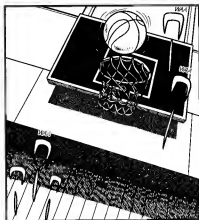

AH,
FORGET
ABOUT IT.

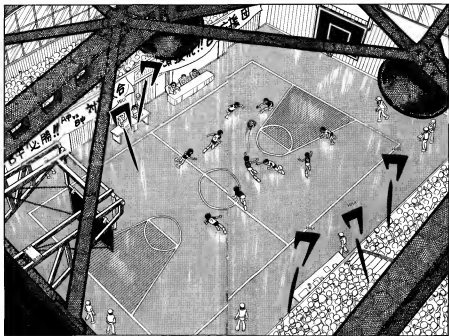

GODDAMN...
THANK YOU!

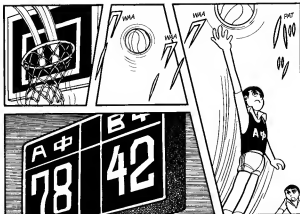

SO... SO
YOU'RE

*HNAIDER: Japanese for "No destiny"

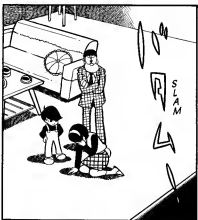

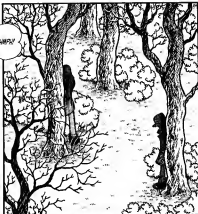

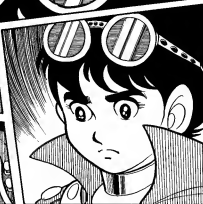

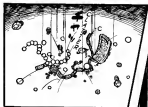

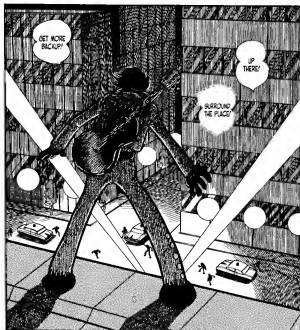

A black and white comic book panel. A villainous character with a mask and a suit with a chest emblem stands on the roof of a classic car. The car is positioned on a cylindrical pedestal. The background is a dark, starry sky with two large, bright, V-shaped light beams framing the scene. Two speech bubbles contain laughter.

**BWA

THAT'S WHY I
ALLOWED YOU
TO ESCAPE!

I COULD TELL
NAKIDER WAS
INCOMPLETE...

...AND
THOUGHT
SOMETHING
LIKE THIS
WAS AFOOT.

THEN
I'LL BE IN
CONTROL OF
EVERYTHING!

I CAN
DESTROY
THEM!

IF I CAN
JUST LOCATE
THE PLANS TO
THE CONSCIENCE
CIRCUIT...

GIVE IT A

THOSE LASERS WERE
OPTICAL! THE ROBOT
BODY SHOULD HAVE
PROTECTED THE
ORGAN!

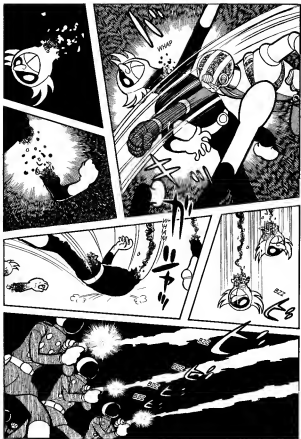

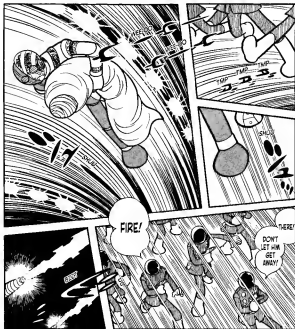

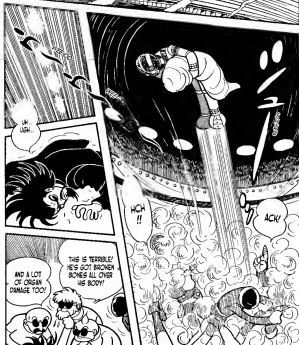

WE'RE SAFE IN
HERE FOR THE
MOMENT...

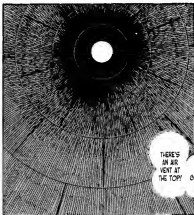

HM?

I CAN
FEEL A
FANT AIR

AND THE
PROFESSOR
NEEDS MEDICAL
CARE...

IF I DON'T FIND
ONE SOON, THOSE
GUYS WILL BREAK
DOWN THE DOOR
AND GET IN.

BUT
WHERE'S
A WAY
OUT?!

THERE'S
AN AIR
VENT AT
THE TOP!

GOT IT!

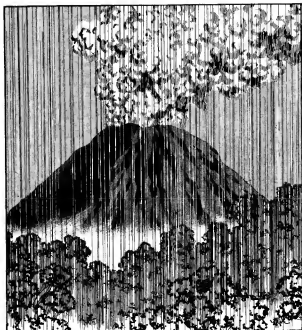

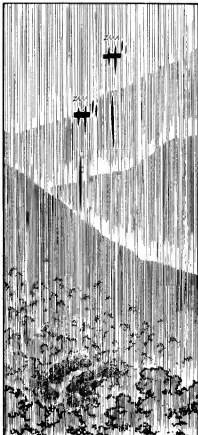

THAT SHOULD BE THE
END OF PROFESSOR
GILL'S RAGE AND HIS
DARK ORGANIZATION

KABLAM

IT RAINED NONSTOP FOR A WHOLE WEEK.

IT SURS WAS STRANGE WEATHER THIS YEAR

IT FINALLY CLEARED UP.

YEAH! THIS FEELS LIKE THE BEGINNING OF SUMMER.

IT'S LIKE THE EARTH HAS GONE CRAZY.

IT'S ONLY MARCH AND YET IT'S ALREADY SO WARM.

AROUND NOW, IT SHOULDN'T JUST BE RAIN. SNOW SHOULD BE FALLING.

COMPLETELY CRAZY.

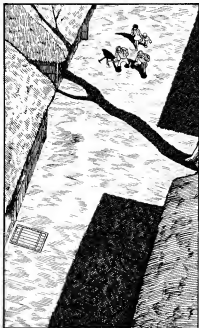

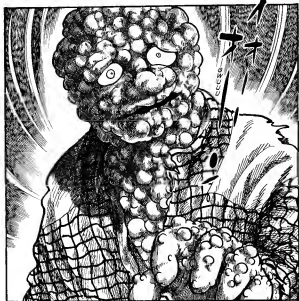

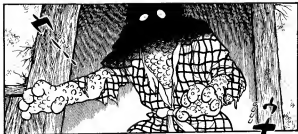

On the way to the village.

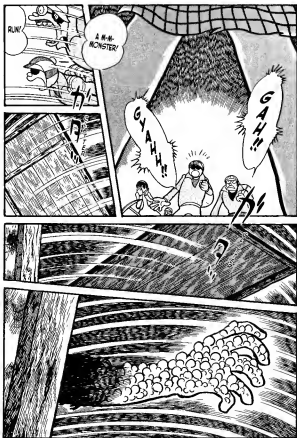

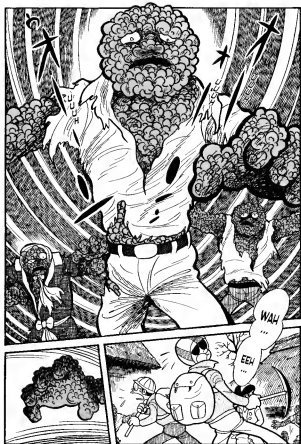

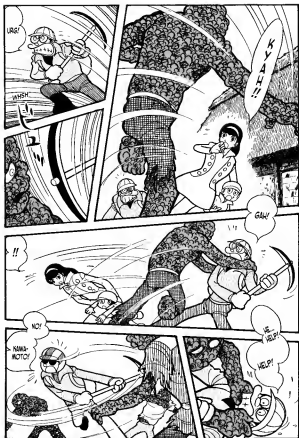

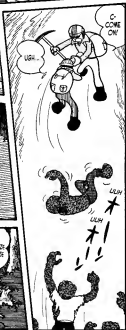

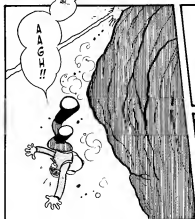

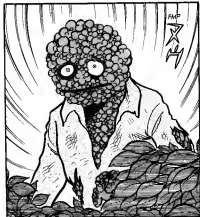

Sage: No Visitors

THEN... ONE
OF THOSE

SEEMS
PRETTY
CONFUSED
A

I MANAGED
TO CLIMB
UP... AND
WALK OUT.

I FELL OFF A
CLIFF... THAT
SAVED ME.
